CITY PARK HOMES

Everyone Deserves a Custom Home Builder

Christopher Zeppa, President of City Park Homes has been building expertly crafted residences throughout the GTA and Southern Ontario for over a decade. We develop unique communities tailored to the needs of today's homeowners, from modern condominium buildings to elegant townhomes and single detached luxury residences. We also build large commercial properties and custom homes. City Park Group has recently expanded into the Southwestern United States where we're bringing the same level of expertise and impeccable quality to a new generation of homeowners.

We pay precise attention to detail and expert workmanship to build homes of outstanding quality and lasting value. Our custom crafted residences feature the most premium exterior finishes and refined interior appointments for today's lifestyles. We exceed customers' expectations at every turn with an unwavering commitment to the design, construction and value of the homes we build and the communities we grow. Because each City Park community is as unique as the individuals who live there, this is where everyone feels at home.
